

SHADE CARRIER INSTRUCTIONS

CAUTION

- Ensure the installation position of this product is in a safe and accessible location and must be out of reach of children.

INSTRUCTIONS

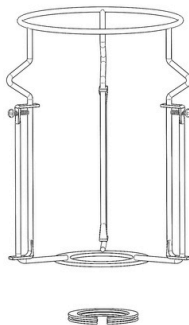

- Unscrew the shade ring found attached on the bulb holder. If your lamp base has an E27 fitting you will need to pop out the shade reducer ring from the shade carrier. You can do this by pinching the reducer and popping it out.
- Attach the shade carrier to the bulb holder and secure with the shade ring.
- Adjust the shade carrier height if needed and secure by tightening the three little screws.
- Secure your chosen shade on to the shade carrier

FITTING CLEANING INSTRUCTIONS

- Always switch off before cleaning.
- Do not use abrasive cleaners to clean the lampshade.

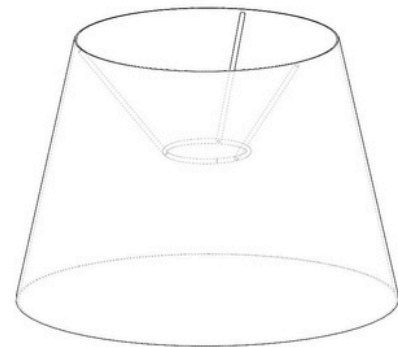

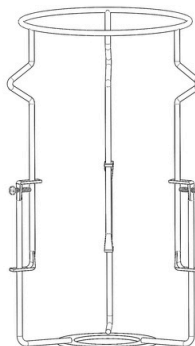

REMOVE SHADE RING

Inside the shade carrier may be a plastic ring reducer. You may need to remove this. Simply pinch the ends together at the gap and pop it out.

ADJUST HEIGHT

If required you can adjust the height of the shade reducer and tighten in the three screws.
